

**PORT OF
ABERDEEN**
EST. 1136

**Set sail on an
exciting career!**

Port of Aberdeen has an amazing history and an exciting future, as Scotland's biggest and busiest port.

We've been at the heart of the city for almost 900 years. Our investment in a new harbour will ensure we support thousands of jobs in energy, trade, and tourism for decades to come and create prosperity for generations.

Port of Aberdeen is dedicated to providing early career opportunities, ranging from school placements to various qualification pathways, to develop and grow talent at the port.

“ The port has taken account of my interests and provided me with work that allows me to start deepening my knowledge and keen interest in business. ”

“ I started my new role in 2024 and my responsibilities have significantly expanded. I’m happy to have joined Port of Aberdeen at the peak of its modernisation and be at the forefront of the challenges that come with it. ”
